

EAGLESLIFFE GOLF CLUB

TEMPORARY LOCAL RULES

Effective from Friday 29th May 2026

Bunker Rakes

After being used, Bunker Rakes should be placed with the tines in the bunker and the handle resting on the left or right edge of the bunker. Prior to being used, Bunker Rakes are Moveable Obstructions and R&A Rule 15.2a applies if these interfere with the lie of your ball.

Drainage Channels

If a player's ball lies in, or there is interference by one of the recently excavated drainage channels or the immediate area which has been damaged by the excavating machinery, the player may take free relief by dropping the original ball or another ball as detailed in R&A Rule 16.1b.

13th Hole No Play Zone

If a player's ball touches or lies in the No Play Zone, or it physically interferes with the player's area of intended stance or area of intended swing, the player **MUST TAKE RELIEF** as detailed in R&A Rule 16.1b. Alternatively, the player may opt to drop the ball in the **NEAREST Drop Zone** under no penalty.
